

# Featherstone Walk

You will require What3Words to complete this walk with ease and be able to take part in the later shown riddles

As you can see in the image above, there are two walks. They're both very similar, however the pink walk includes a trip around a local field, if you chose to miss out this section, that is perfectly acceptable just continue on the light blue/teal route.

Starting Point will be located at the what3words address :

///images.summer.achieving .

From this point, make your way to the address: `///scars.photo.data`.  
This will be the point of our first riddle for you to spot an item in the local area.  
You may find me on your shoe,  
sometimes on the ground  
my smell my disgust you  
but here you will find me in a metal box to stop my smell from getting to you.  
What am I?

Make your way over to `///laws.rainy.curvy`  
From here you should continue down the path you see ahead, you should  
follow this path around till you reach the `///models.face.tuck` address.  
Cross the road over to `///cost.dome.beans` to access the next path where you  
should continue down the path.  
Continue on to `///keep.camera.hungry` and then cross the road to  
`///league.oldest.towers` and then keep on the path till the address  
`///door.window.mass`.

From this point, you will need to solve your next riddle.  
This is something with a bark  
But it doesn't have a bite  
With a lot of sun and rain  
It can grow to a great height  
What am I?

Once you have worked out the riddle, continue to the lane at  
`///atomic.chase.covers` and move down featherstone lane towards  
`///issues.groom.pine`. This is down a lane so please be careful and bring an  
adult to be safe.

Now at this point you can make a choice on whether you would like to chose  
the pink route or the teal blue. If you chose the pink route, you will be going  
around the field for a little more distance.

If you are going to follow the pink route, continue on, however if you're taking  
the teal route, then please go to `///butter.grow.piper`.

(Pink Route)

In the field, continue to the corner located at `///coast.judge.truly`. At this point  
is where you will find your next riddle.

Although this thing has many blades  
It's not used as a chopper  
To make the name of an insect

Put this word before 'hopper'

What am I?

Once you have answered this riddle, continue along the field to this point with the address `///riots.detail.frosted` and right down the lane and continue this point until you get to the point of `///salsa.wants.hidden`.

Once you have reached, `///salsa.wants.hidden` or if you are here. Then you should continue on straight to `///papers.shower.dishes`. This is where East Road will meet Brookhouse Lane. From this point continue on to Brookhouse Lane and walk to `///sports.wash.parent`.

From this point you should continue down "The Avenue" to the point `///period.groups.frames` and then turn left down "Olde Hall Road" and go to point `///single.debit.shortcuts`.

Follow this path around and you will see your final point `///pram.edits.wink`. And you are down the road from your starting point.

Thank you for taking part in the walk and solving my riddles!
